

# Agent – Student Feedback Form

This feedback form is used to gather information from students who have used an Agent to assist them with their enrolment in an RTO course. Your feedback helps us to ensure that Agents have and are providing valued assistance to students and that the experiences and services you will receive from RTO are properly explained to you by the Agent. Please circle the response for each question that represents your experience. If you did not use an Agent - do not complete the form.
